

**Job Title:** Part-Time Occupational Therapist

**Location:** Bucktail Medical Center, Renovo, PA

**Job Type:** Part-Time (full-time and PRN may also be considered)

**About Us:** At Bucktail Medical Center, a Critical Access Hospital in the heart of the Pennsylvania Wilds, we are dedicated to providing high-quality healthcare to our community and the surrounding area. Our 10-bed facility specializes in swing bed and acute care rehabilitation services. We also provide one-on-one outpatient therapy to a diverse population ranging from pediatric to geriatric. We utilize a hands-on, educational, and exercise-based approach to every patient. We are seeking an Occupational Therapist (OT) to join our team and contribute to our mission of improving patient outcomes and enhancing the quality of life for those we serve.

**Position Overview:** As an Occupational Therapist at Bucktail Medical Center, you will play a crucial role in delivering therapeutic services to patients across our various care settings. Primary duties include evaluating and creating treatment plans and supervising a Certified Occupational Therapy Assistant.

**Key Responsibilities:**

- Develop and implement individualized treatment plans based on patient evaluations and goals.
- Maintain electronic documentation records in a timely manner.
- Supervise one or more Certified Occupational Therapy Assistants
- Provide direct patient care, including therapeutic exercises, manual therapy, and other modalities per best-practice standards and clinical reasoning.
- Monitor and document patient progress, responses to treatment, and any changes in patient conditions.
- Educate patients and their families on treatment plans, home exercises, and strategies for improving functional outcomes.
- Assess and recommend adaptive equipment for safe discharge plans
- Participate in daily rounding and care plan meetings with patients and an interdisciplinary team.
- Collaborate with the healthcare team, including physicians, nurses, and other therapists, to ensure coordinated and effective patient care.
- Ensure compliance with hospital policies, procedures, and regulatory requirements in all aspects of patient care and documentation.
- Maintain a clean, safe, and organized work environment, adhering to infection control and safety protocols.

**Qualifications:**

- Minimum of a Bachelor's Degree from an Occupational Therapy program from an accredited institution. Master's Degree preferred.
- Current licensure as an Occupational Therapist in Pennsylvania.

- Previous experience in a rehab hospital or outpatient clinic.
- Strong clinical skills and knowledge of occupational therapy techniques, modalities, and adaptive equipment.
- Excellent communication and interpersonal skills with the ability to work effectively with patients, families, and the healthcare team.
- Understanding complex medical terminology and conditions at a level that allows for teaching patients and families with simplified concepts and language.
- Familiarity with NetHealth EHR, Trubridge EHR, MS Office suite.
- Adaptable to scheduling changes and with providing creative treatment approaches.

**Benefits:**

- Flexible scheduling for maintaining a work-life balance.
- Competitive salary
- Benefits package, including health and vision insurance is available if part-time hours accumulate to 30 hours/week or more for the trailing 6 months of employment. If part-time hours do not accumulate to 30 hours or more but are at least 20 hours/week, employee benefits still include 100% of all Laboratory and Radiology services provided by Bucktail Medical Center and a 50% discount for all other services rendered at our Hospital or Community Clinic.
- 403b eligible after 90 days of service with a 25% employer match
- Generous paid vacation, holidays, personal days, and sick days after 1 year of service prorated to average hours worked; prorated paid holidays after 6 months of service.
- May be eligible for student loan repayment program or tuition assistance program.
- Collaborative and supportive work environment and management team.
- Monday-Friday work schedule with *very* occasional weekends. Occasional remote evaluation opportunities also available.
- Relocation assistance offered to anyone moving into Clinton County (if you currently live outside of Clinton County)

**How to Apply:** Interested candidates are invited to submit their resume and cover letter through Indeed. After review, an application will be sent to you via email. Applications will be reviewed on a weekly basis until the position is filled. If you are interested in a full-time Occupational Therapist position or even PRN, do not hesitate to reach out. Our current OT need is due to continued growth and a staff member's retirement. We may be able to be flexible with your schedule.

Bucktail Medical Center is a non-profit organization governed by a board of local community members. As the most rural hospital in the state of Pennsylvania, BMC is an outdoor enthusiast's dream. If you desire outdoor adventure, a kind and welcoming small-town, a cost-of-living well below the national average, and a low-pressure work environment, consider joining our team.
